The Las Piedros Vineyard of Rosenthal-The Malibu Estate, located in Malibu's Newton Canyon, has given birth to an extraordinary Cabernet Sauvignon. The vineyard's unique qualities and microclimate combined with its high coastline setting, warm days and mild nights, have encouraged us to create this exclusive Founder's Reserve. The premium Bordeaux-style grapes were intuitively selected by our vineyard manager, James Efird, from a rocky knoll nestled high in the canyon vineyard.

Neither filtered nor fined, this distinctive wine, hand-crafted by winemaker Christian Roguenant, exhibits deep ruby-red color, amazingly smooth texture and incredibly robust flavor enhanced by 24 months of aging in small French oak barrels.
